

QUALITY POLICY STATEMENT

Since its inception in May 1959, Rayburn Plastics Limited has become a leading Precision Engineering Company manufacturing and assembling Quality products. Although dealing with many industries Rayburn typically supplies to the Aviation, Automotive, Medical and Power Generation industries.

We Operate a Quality Management System (QMS) in accordance with the requirements of ISO 9001: 2015 (certificate number Q 06310) and this assists in meeting the needs and expectations of our customers and applicable statutory and regulatory requirements.

Our Top Management are committed to:

The continual improvement of the Quality Management System to ensure the enhancement of customer satisfaction. This will encompass assessing the risks and opportunities with the potential to impact on the conformity of the products and services supplied.

Our Top Management Responsibilities include:

- Accountability for the effectiveness of the Quality Management System.
- Ensuring that a Quality Policy, inclusive of quality objectives is established and within this context is compatible with the strategic direction of the Company.
- Ensuring that the set quality objectives are maintained using a minimum of the Quality Management System Internal Auditing and Management Review Processes.
- Promote the use of a process approach that encompasses risk-based thinking.
- Ensuring that adequate resources needed to operate an effective Quality Management System are provided. Besides the essential hardware and software requirements, will include training and motivation.
- Ensure that all staff are aware of the importance of having and complying with a Quality Management System and it's specified requirements.
- Working with customers, Suppliers and other interested parties in order to continually improve the service given.

This policy will be communicated to all employees and those organisations that assist in delivering a Quality Product to our Customers.

As well as being displayed on our web-site, this policy may be obtained by other interested parties upon reasonable request.

Signed:  John Griffiths - Joint Managing Director.
